

## COMPETITORS INFORMATION

### **GOLF COURSE:**

Minthis Hills is the oldest course in Cyprus, originally designed by Donald steel and opened in April 1994. Major renovations of the course started in 2006 by leading golf architects Mackenzie & Ebert. On the 1<sup>st</sup> of June 2007 Minthis Hills Golf Course re-opened to the public.

Encircling a 12<sup>th</sup> century monastery Stavros tis Minthis and surrounded by vineyards, almond, walnut and olive trees, the 18 Hole Championship Course has been carefully integrated into the landscape, to respect the historical and cultural context of the area. Golf Course is located on an elevated position of 550 meters above sea level, ensuring cool breezes even during the summer months.
